## IMPLEMENTATION OF NEW NIGERIAN CIVIL AVIATION REGULATIONS (CARs)

The NCAA is pleased to announce that upon signing into law, the new Civil Aviation Bill by Mr. President, the new Nigerian CARs become the official Civil Aviation Regulations of the Federal Republic of Nigeria. These set of regulations replace the old ANRs and NCARs.

In order for all Applicants and Aviation Stakeholders to be compliant with the new Nigerian CARs, this Office is granting a 6-month transition (grace) period from the date of enactment.

Accordingly;

- The new CARs will become the official aviation regulatory framework of Nigeria.
- All existing applicants holding NCAA Certificate or Letter of Approval soliciting a renewal and/or change to an existing Certificate or Letter of Approval will be required to comply with the 2006 CARs.
- All applicants will be required to comply with the 2006 CARs, six months from the date of enactment of the Civil Aviation Bill.

The 2006 CARs can be viewed on our website: [www.ncaa.gov.ng](http://www.ncaa.gov.ng)

All queries regarding this new set of regulations shall be directed to:
