## ALL OPERATORS LETTER (FSG 001)

**Ref:** NCAA/FSG/AOL/12/001  
**Date:** 3<sup>rd</sup> January, 2012  
**To:** All Commercial Air Transport Operators  
**From:** Nigerian Civil Aviation Authority  
**Attn:** Accountable Manager/Chief Executive Officer  
**Subject:** AIRFARE FOR COMMERCIAL AIR TRANSPORTATION

This is to inform all commercial air transport operators that the Honourable Minister of Aviation has directed that on no account should there be an increase in airfare as a result of the current deregulation of the premium motor spirit otherwise known as petrol. This is because the aviation fuel had already been deregulated and as such the current deregulation policy does not affect the price of aviation fuel.

The cooperation of all commercial air transport operators is therefore being sought to ensure that the aviation industry benefit immensely from this Federal Government Deregulation Policy in form of increased patronage by consumers.

However, should there be any need for an increase, all commercial air transport operators are invited to liaise with the Honourable Minister of Aviation before such increases are introduced.

While we wish you happy and prosperous New Year, please accept the Director General's warmest regards.
